

## AUSTRALIA/NEW ZEALAND CRUISE JANUARY 16-28, 2013

January 16 - January 28, 2013 seems like a long way off, but this sailing is already half full! The ship is the Celebrity Solstice, one of the newest and most beautiful in the fleet, with occupancy of 2,850. Corning Glass has an amazing glass blowing show onboard. Celebrity has designated this sailing as a "GRPX" sailing, which means that the "group cabin prices" are less than the prices of cabins that are available to the general public in FIT, the individual reservations department. We will either provide each cabin with OBC, or treat each guest in our group to dinner at one of the specialty restaurants onboard.
